

COUNTY OF YORK

MEMORANDUM

DATE: April 6, 2006 (BOS Mtg. 4/18/06)

TO: York County Board of Supervisors

FROM: James McReynolds, County Administrator

SUBJECT: Public Sewer Extension Agreement
Fair Chase Run

Hampton Roads Development, L.L.C., developer of the proposed development known as Fair Chase Run, has requested authorization of a Public Sewer Extension Agreement as required by Section 18.1-53(b) of the York County Code. Fair Chase Run will be built on a 1.77-acre parcel on Darby Road, and is to be developed into 3 residential lots.

To provide sanitary sewer service to the proposed development, the developer will be required to install three sewer laterals to connect to existing County facilities. Sufficient capacity exists in the sanitary sewer collection system to support the proposed development. In accordance with Section 18.1-64(a) of the County Code, the connection fee for this proposed development is \$6,900 (3-5/8-inch connections @\$2,300 each).

In accordance with County Code Section 18.1-53(b), sewer extension agreements for more than three connections must be approved by the Board. Additionally, state law requires that the developer “appear” before the Board of Supervisors and inform them of their desire to connect to sewer facilities of the County for more than three connections. Presentation of the attached materials on behalf of the developer meets the requirement that they appear before the Board.

It is recommended that the execution of a Public Sewer Extension Agreement for the subject project be authorized through the adoption of proposed Resolution R06-44.
